STIPULATION AND ORDER RE: THE  
SCHEDULING OF A SETTLEMENT  
CONFERENCE, AND RESCHEDULING  
A CASE MANAGEMENT CONFERENCE  
AS MODIFIED BY THE COURT

The parties agree, subject to the Court's approval, to the scheduling of a settlement conference with Chief Magistrate Judge Maria-Elena James, and taking the case management conference scheduled for June 23, 2011 off calendar until after the settlement conference has taken place. The United States took the depositions of claimants and two of their sons in May. The parties informally discussed the possibility of settlement toward the end of the two days of depositions, but were unable to reach an agreement. Because the parties agree that a settlement may be possible if there is a settlement conference with a Magistrate Judge, they would like the opportunity to explore the possibility of settlement at such a conference. The United States, however, requests that the settlement conference be scheduled only on a Wednesday, Thursday or Friday because the officer involved in this case is a local law enforcement office who works Wednesday through Sunday.
